I'm so angry and frustrated I don't know where to start so I will start by saying I will be the first to sign on the class action suit that needs to be started against Duke Energy. What is happening to our energy costs? Forget reducing property taxes we can afford those but these ENERGY COSTS & INSURANCE PREMIUMS is what will drive people out of Florida I've seen that 1st hand. We love it here & love Governor Desantis even more but DUKE ENERGY has to be stopped!!!! Again I say SEND HELP!!!!
