Subject: Reject the FPL proposed settlement Docket #20250011

Dear Florida Public Service Commissioners,

I am a residential customer of Florida Power & Light (FPL) and a member of AARP, and I oppose FPL's attempts to raise its rates even higher than they already are. Every year, I volunteer for AARP's Tax Aide program, and I see how hard it is for many Floridians to make ends meet--many low-income residents are forced to choose between food, housing, medical, and utility payments.

I opposed the increases FPL proposed in February, and I oppose the nearly identical increases FPL has now put forward with its corporate partners in a so-called "Settlement" negotiated in secret. These rates remain excessive and unfair to residential customers.

FPL's claim that this "Settlement" represents residential customers like me and my family is false. No one from FPL ever consulted us, asked for our input, or received our consent to speak on our behalf. Instead, FPL chose to ignore the voices of ordinary Floridians who have

already expressed strong opposition to these increases.

My family and I call on the Public Service Commission to reject these secret deals cut with large industrial and commercial interests and to hold FPL accountable.

Enough is enough — protect residential customers from corporate greed and unjustified rate hikes.

Thank you for your time and consideration.

Sincerely,

Nancy Balow
