Message

Dear Governor,

I am a life long resident in Tampa and am writing on behalf of my neighbors. Please intervene in the TECO rate hikes as many people are seeing 100% increases in their electric bills. I myself have had an over \$100 increase even on months of low usage consistently. TECO has had massive revenues post-hurricanes and our city is suffering for it. Increases to this level hurt Floridians and the people in my great city. Please take immediate action to mitigate. Thank you.
