TECO customers face some of the highest power bills

Message

Dear Governor,

How come the electric monopolist allowed to rob off its customers with impunity while people having no alternative with the basic necessity for survival in Florida? The electric bill went up three times!!!

They're maximizing profit at the expense of people's lives. How come is that not illegal?

Apparently AI got money but electric grid has not so people are made to pay for it.

I'm surprised that happened under your governance.

TECO Electric Bill - Riverview, Fl

Message

I have lived in my home in Riverview for over 18 years. I am retired from the U.S. Army and remained here upon retirement.

My TECO bill has been the highest in 18 years. Our elected officials authorized TECo to raise rates. Check out this article on TECO, highest rates in the county only beat by CA.

Please help your constituents.
