Re: City of Winter Park, October 1, 2025 Rate Adjustments to Electric Tariffs;  
Administrative Non-docketed

Dear Mr. Teitzman:

Consistent with the City's filed rate tariffs and its policy to periodically review base non-fuel rates, the City is changing its non-fuel rates effective October 1, 2025. In preparing this filing, we discovered an April 1, 2023 update had not been filed and are correcting that oversight as well.

Accordingly, we have enclosed for your information and records one clean copy and one copy in legislative format as follows.

- RS-1 Residential Service, Fourteenth Revised Sheet No. 3.301, replacing Thirteenth Revised Sheet No. 3.301 effective April 1, 2023.
- RS-1 Residential Service, Fifteenth Revised Sheet No. 3.301, replacing Fourteenth Revised Sheet No. 3.301 effective October 1, 2025.
- GS-1 General Service – Non-Demand, Twelfth Revised Sheet No. 3.400, replacing Eleventh Revised Sheet No. 3.400 effective April 1, 2023.
- GS-1 General Service – Non-Demand, Thirteenth Revised Sheet No. 3.400, replacing Twelfth Revised Sheet No. 3.400 effective October 1, 2025.
- GS-2 General Service – Non-Demand 100% Load Factor Usage, Fourteenth Revised Sheet No. 3.500, replacing Thirteenth Revised Sheet No. 3.500 effective October 1, 2025.
- GSD General Service - Demand, Fourteenth Revised Sheet No. 3.600, replacing Thirteenth Revised Sheet No. 3.600 effective October 1, 2025.

If you have any questions regarding our submission, please let me know.

Sincerely,

/s/
