Message

I am a born and raised Floridian. I'm not happy with the increase in my electric company rates and outrageous Hurricane hikes. It's unfair that you get to choose if they raise their rates and not the people. We are drowning here in Florida and the extra security deposits are robbery after 6 years with Teco. My vote will be changing this year as I feel the common Floridian has no say in what we pay anymore. There just isn't any help!! Shame on you, and I'm a die hard republican!
