Subject: Reject the FPL proposed settlement Docket #20250011

Dear Florida Public Service Commissioners,

I am a residential customer of Florida Power & Light (FPL) and a member of AARP, and I oppose FPL's attempts to raise its rates even higher than they already are. I opposed the increases FPL proposed in February, and I oppose the nearly identical increases FPL has now put forward with its corporate partners in a so-called "Settlement" negotiated in secret. These rates remain excessive and unfair to residential customers.

FPL's claim that this "Settlement" represents residential customers like me and my family is false. No one from FPL ever consulted us, asked for our input, or received our consent to speak on our behalf. Instead, FPL chose to ignore the voices of ordinary Floridians who have already expressed strong opposition to these increases.

My family and I call on the Public Service Commission to reject these secret deals cut with large industrial and commercial interests and to hold FPL accountable.

Enough is enough — protect residential customers from corporate greed and unjustified rate hikes.

Thank you for your time and consideration.

P.S. Since we have no choice for an electric company, why does FPL have multiple commercials on TV each day? That could save them some money. Also, I received an email to join Budget Billing. If I do, I can be part of a drawing for an e-bike. Where does that money come from??

Sincerely,

Mary Ann Cole 17873 Woodland Ct Punta Gorda FL, 33982-5130 macbon82@hotmail.com
