Dear Chairman LaRosa,

My energy bills have gone up far too much per month. With prices climbing on all basic needs, it's becoming impossible to manage. Floridians need relief. I urge you to support OPC's proposal for lower energy rates and reject FPL's rate hike.

Sincerely,

Sincerely,

Dear M. Walsh,

As Americans across the country receive notice of huge health care premium hike notifications, I'm fighting to resolve this Republican healthcare crisis.

Democrats have been clear: We are ready to negotiate a bipartisan agreement that reopens government and lowers health care costs, including extending health care tax credits to stop these massive premium increases.

If you received a notice of healthcare prices going up, share it with my office by texting us at 954-866-9444. You can call my Washington office at 202-225-7931, or in Sunrise at 954-845-1179. Or just reply directly to this email.

Thank you for helping me lift up your stories and spreading the word about this important issue.

Sincerely,

A handwritten signature in black ink that reads "Debbie".
