FPL SOLAR PANELS MUST BE STOPPED

Message

We are contacting you again to STOP FPL from destroying our state with the GREEN NEW SCAM. We do not want solar power. Why is FPL doing this and why would you approve it? Can it be your rich doners? Can it be FPL will make 11.5% a year on the investment of 30 million solar panels, that we finance? Can it be that FPL get the agriculture land tax on the solar farms?

Either serve the citizens of Florida or the mega doners, you cannot serve both. Your decision will confirm who you work for.
