fpl rate hike

Message

dear governor, fpl has had 3 major rate hikes in the last 10 years. in 2021 5 billion the largest in fpl history. they have made repeated rate hikes beyond these large requests for a wide range from fuel charges to storm recovery. the fpse cannot be serious about another rate hike. there has to be a serious investigation into the rate hikes. read the rise and fall of espn if you want to know what is going on. out of control spending is always the case. fuel cost are DOWN dramatically.
