2 CHAIRMAN LA ROSA: Let's move to Item No. 6.

3 Mr. Nguyen? Oh, there you are. You are
4 recognized, my friend.

5 MR. NGUYEN: Good morning, Chairman and
6 Commissioners. This is Chris Nguyen with the
7 Division of Economics.

8 Item 6 is a joint petition from Peninsula
9 Pipeline Company and Florida City Gas requesting
10 approval of three amendments to transportation
11 service agreements for renewable natural gas
12 projects located in Brevard, Indian River and
13 Miami-Dade Counties. Previously, FCG intended to
14 be responsible for the construction and ownership
15 of the interconnection facilities that connect to
16 each renewable natural gas source.

17 Pursuant to the proposed amendments, Peninsula
18 would construct, operate and maintain
19 interconnection facilities for renewable natural
20 gas facilities to connect to FCG's distribution
21 system.

22 The parties state Peninsula should construct
23 these interconnection facilities because it would
24 not be efficient to have two different entities
25 doing the planning, engineering, permitting work

1 and operation and maintenance on facilities
2 constructed for the same project.

3 As described in the proposed amendments, FCG
4 would pay monthly reservation charges to Peninsula
5 equal to the amount currently paid by their
6 renewable natural gas producers.

7 Based on staff's review of the parties'
8 responses and joint petition, staff recommends that
9 the Commission approve the amendments attached to
10 the recommendation.

11 Thank you.

12 CHAIRMAN LA ROSA: Excellent. Great. Thank
13 you for the summary.

14 Commissioners, are there any questions or
15 discussions on Item No. 6?

16 Seeing none open for a motion.

17 COMMISSIONER CLARK: Mr. Chairman, move to
18 approve, Mr. Chairman.

19 COMMISSIONER PASSIDOMO SMITH: Second.

20 CHAIRMAN LA ROSA: Hearing a motion and
21 hearing a second.

22 All those in favor signify by saying yay.

23 (Chorus of yays.)

24 CHAIRMAN LA ROSA: Yay.

25 Opposed no?

1 (No response.)

2 CHAIRMAN LA ROSA: Show that Item No. 6 is
3 approved as recommended.

4 (Agenda item concluded.)
