DUKE ENERGY

Message

Governor DeSantis; I live in Orlando, Florida. We moved here 4 years ago from Bettendorf, Iowa. Something needs to be done about DUKE Energy and their cost of a kilowatt. In Iowa we had Mid American Energy and their cost of a kilowatt is over \$.05 per kilowatt cheaper. There we had hot summers and cold winters. My highest bill in 20 years at was \$205. They didn't charge extra for kilowatt's over a 1000 kilowatts. My bills are averaging \$325 per month for 1650 sq ft! HELP!!!! Please.
