Subject: Opposed to another Rate Hike

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

This e-mail is to inform you that we are residents of Ballast Pointe in Tampa, Florida. It is understood that TECO is requesting another rate hike in January. We are opposed to this rate hike and do not feel that it is justified at this time.

Hope you hear the voices of the community you serve. They need to take a look at their compensation packages and make changes to meet their goals/profits instead of taxing the consumers again.

Thank you,
