*Re: Docket 20250075 – WU - Application for Staff Assisted Rate Case (SARC) in
Citrus County by Citrus Waterworks, Inc. – General Service Customer – Service
Territory*

Dear Commission Clerk,

Citrus Waterworks, Inc. (Citrus) hereby provides its response to Staff's inquiry concerning the one general service customer not inside Citrus' approved service territory. This customer was being served at the time Citrus acquired the utility. Citrus was unaware that this one customer was not inside the service territory. This customer was referenced in the grandfather certificate approval in Order No. PSC-2025-0041-PAA-WU, issued on February 6, 2025. However, the issue of this single customer outside the territory was not addressed at that time.

Based upon Staff's verbal recommendation, Citrus will begin preparing a territory amendment application in the near future. Citrus will need to have an engineer prepare a territory description for this single customer.

Respectfully Submitted,

Troy Rendell
Vice President
