Subject: Notification of Unaccepted E-filing (E-filing ID = 43215)

Good afternoon,

The document presented has been reviewed by the Office of Commission Clerk and has not been accepted as an e-filing. Please see highlighted excerpt below of Rule 25-6, FAC, regarding submitting Test Plans. For your convenience, we have forwarded this filing to Division of Engineering. For future submissions of Test Plans, please forward them to the Division of Engineering (Attention to Melissa Ramos - mramos@psc.state.fl.us).

Per rule 25-6.052:

5) Test Plans.

(a) Each utility shall submit its test plan for review and approval for all types of metering equipment, including:

1. Single-phase watthour meters;
2. Polyphase watthour meters;
3. Demand meters;
4. Pulse initiating meters;
5. Pulse recorders;
6. Time-of-use meters; and
7. Instrument Transformers.

(b) Test plans shall contain the following for each type of metering device covered:

1. Adjustment limits;
2. Test points;
3. Test duration;
4. Type of test – single-phase test, polyphase test, etc.; and
5. Description of the general steps involved.

(c) Any changes to a previously approved test plan must be submitted to the Commission's Division of Engineering for approval.

Adding a meter type to a previously approved test plan is a change that requires approval.

If you have any questions, please contact the Office of Commission Clerk at clerk@psc.state.fl.us

Sincerely,
Nick Holmes
