TECO RATE INCREASES - AGAIN

Message

The rate increases needed to be examined with **proof provided** to the public as to why TECO needs another rate increase. We are now paying 83% more for **power than in 2020**. They can no longer say this is about storms or fuel costs. This is price gouging and theft. We are maxed out as home owners with taxes, insurance and utility bills. With this rate increase my peak summer usage bills will be over \$1,000/month and I live in a new energy efficient home!!! This has to stop! HOW DID THIS GET APPROVED
