In 2021 my electric bill was 9% of my total VA disability payment. Now my electric bill is 17% of my VA payment. Groceries to feed my family was 9% of my VA pay, now it is 16%. Teco Energy which provides most of the Tampa Bay Area electric is Canadian owned. Why a Socialist Country owns a Florida Power company is beyond me. My July's \$743.00 electric bill was \$285.00 in Taxes Local, County, State. when my Disability pay is \$4,300. this is crazy! What is being done to bring theses prices down?
