COMPLAINT INFORMATION

Complaint: Other Complaints against Tampa Electric Company
Details:

TECO has raised rates 4 times in past year; the rate hikes are crippling the average family. We have solar on our house, 2 occupants living here with minimal electric usage and we are still paying an exorbitant amount each month for electric. The recent hurricanes in 2024 hurt this area significantly and people are still trying to get back to normal. These rate hikes are not helping whatsoever.
