Subject: Notification of Unaccepted E-filing (E-filing ID = 43362)

The document presented has been reviewed by the Office of Commission Clerk and has not been accepted as an e-filing. Document was filed as parties correspondence. However, the memo requests it be placed in the docket file. If this is to go in the docket file, it will need to be resubmitted electronically under the default document filing option "other." If the document is to be placed in parties correspondence (not part of the docket file), the memo will need to be updated to reflect that it needs to be placed in parties correspondence and then efiled as you did the first time. If you have any questions, please contact the Office of Commission Clerk at clerk@psc.state.fl.us
