RE: Docket No. 20240025-EI, Confidential Filing 07660-2024

Pursuant to Administrative Procedures Manual 11.04.C.7, please be advised that a folder containing a copy of confidential Document No. 07660-2024 in Docket No. 20240025-EI is missing. As described in Order No. PSC-2024-0355-CFO-EI approving confidentiality, issued on August 8, 2024, the document consists of the unredacted version of certain information contained in Duke Energy's 2024 Settlement Agreement.

When the responsible staff person, Amber Norris, was preparing to provide the folder for the January confidential inventory quarterly report she noticed it was missing. I was immediately notified of the situation and Ms. Norris began a thorough search of her office and storage files used while moving offices, but was unsuccessful in locating the document. Ms. Norris believes the folder was inadvertently discarded when moving and unpacking her office and relocating the item from a locked cabinet.
