**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Florida Power & Light Company's Nuclear  
Decommissioning Study

Docket No: 20250143-EI

Date: February 11, 2026

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL  
CLASSIFICATION OF INFORMATION PROVIDED IN RESPONSE TO  
STAFF OF THE FLORIDA PUBLIC SERVICE COMMISSION'S FIRST  
DATA REQUEST (NOS. 19 and 20)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby requests confidential classification of certain documents and information provided in its responses to the Staff of the Florida Public Service Commission's ("Staff") First Data Request (Nos. 19 and 20) ("Confidential Information").

In support of its request, FPL states as follows:

1. FPL served responses to Staff's First Data Request (Nos. 19 and 20) on February 11, 2026. Consistent with Rule 25-22.006, Florida Administrative Code, this request is being filed contemporaneously with the service of those responses to request confidential classification of certain information contained therein.
2. The following exhibits are attached to and made a part of this Request:
  - a. Exhibit A consists of a copy of the confidential documents on which all information that FPL asserts to be confidential has been highlighted.
  - b. Exhibit B is a redacted version of the confidential documents. For documents that are confidential in their entirety, FPL has only included identifying cover pages in Exhibit B.
  - c. Exhibit C is a table that identifies the information for which confidential treatment is being sought and references the specific statutory basis for the

claim of confidentiality and identifies the declarant who supports the requested classification.

- d. Exhibit D consists of the declaration of Loretta Duran in support of this Request.

3. FPL submits that the Confidential Information is intended to be and has been treated and maintained by FPL as confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Florida Statutes, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review, such as weighing the harm of disclosure against the public interest in access to the information.

4. As described more fully in the declaration included in Exhibit D, the Confidential Information includes information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Specifically, the information contains information provided to FPL through a subscription by a third-party vendor which is proprietary to that vendor. This information is protected by Section 366.093(3)(e), Fla. Stat.

5. Upon a finding by the Commission that the Confidential Information is proprietary and confidential business information, the information should not be declassified for at least an eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* Section 366.093(4), Florida Statutes.

**WHEREFORE**, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 11th day of February, 2026,

Respectfully submitted,

**DECLARATION OF LORETTA DURAN**

1. My name is Loretta Duran. I am currently employed by Florida Power & Light Company (“FPL”) as Accounting Manager, Finance. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents referenced and incorporated in FPL’s Request for Confidential Classification, specifically the materials provided in FPL’s response to Staff’s First Data Request, Nos. 19 and 20. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain information relating to competitive interests, the disclosure of which impair the competitive business interests of the provider of the information. Specifically, the information contains economic reports that were provided to FPL by a third party vendor and are proprietary to that vendor. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.
