(LiveVox); Your Local Phone Company LLC; Liberty Mobile Puerto Rico, Inc.; Power Mobile LLC; Phreeli Company; and Prepaid Wireless Wholesale, LLC, are

registered with the Utilities Commission (Commission) as providers of telecommunications service in Iowa. Pursuant to Iowa Code § 17A.18(3), the Commission must give notice of the facts or conduct and the provision of law that warrants cancellation of the registration that authorizes the holder to offer telephone numbers to retail customers in the state of Iowa, to interconnect to other telecommunications service providers, to cross railroad rights-of-way, and to provide telecommunications service in Iowa.

As of the date of this order, the above-listed providers have not completed an annual update of their company profiles. Mapleton, Voicecom, and Noble Systems have filed incomplete annual reports, whereas the remaining providers have not submitted an annual report at all. Failure to do so prevents the providers from satisfying the requirement to maintain an annual registration covering the calendar year ending December 31, 2024. Furthermore, failure to submit or adequately complete the annual company update in IUB 24/7 prevents carriers from providing the information required to carry out the annual assessment that funds the Dual Party Relay Service (DPRS), due annually on April 1.

Iowa Code § 476.95A requires all providers of telecommunications service, as defined in Iowa Code § 476.103, to file an annual registration on a form provided by the Commission. Pursuant to Iowa Code § 476.95A(5), refusal to file and maintain the annual registration is a violation of that chapter and may subject the provider to a civil penalty pursuant to Iowa Code § 476.51. Furthermore, Iowa Code § 477C.7 requires the Commission to impose an assessment upon wireless carriers and wireline local exchange carriers providing telecommunications service in the state. Entities subject to

DOCKET NOS. M-3003, et al.  
PAGE 6

that assessment are required to provide the information requested by the Commission to implement the assessment. Lastly, as a condition for obtaining numbering resources, interconnected Voice over Internet Protocol (iVoIP) providers must maintain up-to-date contact information with applicable state commissions. See 47 Code of Federal Regulations 52.15(g)(3)(x).

Cancellation of registration terminates the authorization to offer or provide telecommunications services in Iowa. The providers listed above are required to complete the annual profile update through the Commission's web application IUB 24/7, which includes submitting the information necessary for purposes of the DPRS assessment, within 30 days of the date of this order. If no update is provided, that provider's registration will be canceled, if applicable, and their company profiles made inactive. Further, civil penalties may be imposed. Additionally, iVoIP providers, such as First Communications and LiveVox, may be blocked from numbering requests until the necessary updates are made.

**IT IS THEREFORE ORDERED:**

1. Working Assets Funding Service, Inc.; NetworkIP, LLC; Mapleton Communications Management Agency; Voicecom Telecommunications, LLC; First Communications, LLC; Q Link Wireless LLC; Communication Innovators, Inc.; Hello Mobile Telecom LLC; LTE Wireless Inc; Noble Systems Communications LLC; Tube Incorporated; TCSI, Inc.; Clear Mobile, LLC; Sarver Corporation; Wrizzle, Inc.; Comlink Total Solutions Corp; GO MD USA LLC; Volt Mobile Inc.; Weinentivize LLC; Lux Mobile USA, Inc.; Peering Hub Inc.; LiveVox, Inc.; Your Local Phone Company LLC; Liberty Mobile Puerto Rico, Inc.; Power Mobile LLC; Phreeli Company; and Prepaid Wireless Wholesale, LLC, shall submit an annual company profile update via the web

application iub247.iowa.gov within 30 days of the date of this order. Utilities Commission staff is available to assist with the process and may be reached at 515-725-7300 or ITsupport@iuc.iowa.gov.

2. If Working Assets Funding Service, Inc.; NetworkIP, LLC; Mapleton Communications Management Agency; Voicecom Telecommunications, LLC; First Communications, LLC; Q Link Wireless LLC; Communication Innovators, Inc.; Hello Mobile Telecom LLC; LTE Wireless Inc; Noble Systems Communications LLC; Tube Incorporated; TCSI, Inc.; Clear Mobile, LLC; Sarver Corporation; Wrazzle, Inc.; Comlink Total Solutions Corp; GO MD USA LLC; Volt Mobile Inc.; Weincentivize LLC; Lux Mobile USA, Inc.; Peering Hub Inc.; LiveVox, Inc.; Your Local Phone Company LLC; Liberty Mobile Puerto Rico, Inc.; Power Mobile LLC; Phreeli Company; and Prepaid Wireless Wholesale, LLC, do not submit the required information to the Utilities Commission within 30 days of the date of this order, that provider's registration will be canceled, their company profiles made inactive, and civil penalties may be imposed.
