Governor Ron DeSantis, State of Florida

Good Day !

Ref : Senior Citizen Request.

FPL Account No. 26582 57510

I am once again reaching out to your office to request your direct assistance as our household has been

monetarily penalized every month since the year 2022 primarily due to our Lower Consumption of Electrical

Power.<<<<<

We also have no idea as to how the FPSC could of granted FPL permission to penalize our household when

in essence we should of been rewarded, and also commended by FPL for our due diligence.

We sincerely hope that your office will intercede in our behalf in order to have the inappropriate charge

removed from our monthly bill as FPL has made no effort to date to initiate same.<<<<<

Thank You Governor.

Respectfully,

Michael J. Walsh
