**NOTICE OF UTILITY’S PETITION TO ESTABLISH  
AN ACQUISITION ADJUSTMENT**

**DATE OF CUSTOMER NOTICE - 01/09/2026**

CSWR-Florida Utility Operating Company, LLC (“CSWR-Florida”) has filed a Petition with the Florida Public Service Commission (the “Commission”), pursuant to rule 25-30.0371, Florida Administrative Code, to establish an acquisition adjustment for a non-viable utility system relating to its acquisition of the water facilities of Sunshine Utilities of Central Florida, Inc.

CSWR-Florida’s Petition was filed with the Commission on March 18, 2025 and assigned Commission docket number 20250047-WS.

In its next rate case, CSWR-Florida expects to consolidate its rates over all Florida customers. If the Commission grants the full acquisition adjustment requested by CSWR-Florida, the 5-year projected consolidated rate impact is \$2.24 per water customer, per month. If customer rates are not consolidated and the acquisition adjustment is applied to only the customers of Sunshine Utilities of Central Florida, Inc., then the rate impact is projected to be \$3.96 per water customer, per month.

A copy of CSWR-Florida’s Petition is available on the Commission’s website at <https://www.psc.state.fl.us/dockets>.

CSWR-Florida can be contacted at 1630 Des Peres Rd., Suite 140, St. Louis, MO 63131, telephone (855) 476-1942 during the regular business hours of Monday – Friday from 7am-7pm. Any customer substantially affected by the Petition may file a motion to intervene in accordance with rule 28-106.205, Florida Administrative Code.
