Subject: Water Oak Water Rate Increase

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

This is my submission opposing this proposed increase in Water Oak Country Club Estates.

Contrary to what the name suggests, this is a Mobile Home Park. It is inhabited with mostly retired people on fixed budgets. The proposed rate increase will force some to move and put financial stress on all of us here.

An annual cost of living increase would be much more fitting for us.

Thanks
