Re: Confidential Filing in Docket No. 20240025-EI - Petition for rate increase by Duke Energy Florida, LLC.

Dear Ms. Triplett:

On Friday, January 30, 2026, my office was notified by the Florida Public Service Commission's (FPSC) Division of Accounting & Finance (AFD) that a copy of confidential Document No. 07660-2024, filed in Docket No. 20240025-EI, could not be located. As described in Order No. PSC-2024-0355-CFO-EI, issued on August 8, 2024, approving confidentiality, the document contains the unredacted version of certain information included in Duke Energy's 2024 Settlement Agreement.

Under our established procedures for handling confidential materials, each technical division must conduct a quarterly verification of all confidential documents signed out by its staff. During this review, AFD determined that the document was missing and believes it may have been misplaced during an office relocation.

Since learning of the missing document, all remaining confidential documents filed in Docket No. 20240025-EI have been returned or are in the process of being returned. My office is also meeting with the agency's designated Confidential Document Coordinators to reinforce proper handling and storage protocols. The FPSC follows rigorous procedures for safeguarding confidential information, and we want to assure you that this matter is being treated with the utmost seriousness.

Please accept my apology for the inconvenience this may cause you and your client.

Sincerely,

A handwritten signature in blue ink, appearing to read "Adam J. Teitzman".
