**Re: Surrender of the Certificate of Authority No. 8774 and Registration
No. TI140 of CBTS Technology Solutions LLC**

Dear Director Teitzman:

This letter surrenders the Certificate of Authority ("Certificate") and Registration of CBTS Technology Solutions LLC ("CBTS-TS") granted in Docket Nos. 20031070-T1 and 20090406-TX to provide interexchange and local exchange services.¹ The letter also cancels and withdraws any CBTS-TS tariff on file with the Commission.

CBTS-TS no longer provides intrastate telecommunications services in the state of Florida. The public will not be harmed by the surrender (and cancellation by the Commission) of the Certificate and Registration held by CBTS-TS because the company no longer has customers receiving intrastate telecommunications services. Further, the surrender is reasonable and necessary and not disruptive to the present or future public interest, convenience and necessity.

Any questions or inquiries regarding any outstanding regulatory obligations of CBTS-TS should be directed to:

¹ The Registration was originally granted to Broadwing Telecommunications Inc., which changed its name to Cincinnati Bell Any Distance Inc. ("CBAD") in 2003 in Docket 20031070-TI. CBAD was then granted the Certificate in 2009 in Docket 20090406-TX. The Commission recognized a name change from CBAD to CBTS Technology Solutions LLC on November 20, 2017 in Docket No. 20170243-TX.
