Re: Docket No. 20260031-WS - In re: Petition to establish rate base value of acquired system using alternative procedure, by Sunshine Water Services Company.

Dear Mr. Shuman:

Thank you for your letters of March 24, 2026, requesting that a public town hall meeting be held to discuss Sunshine Water Services Company's petition to set a fair market value for Placid Lakes Utility, Inc.'s water and wastewater systems.

There is no requirement under Section 367.0811, Florida Statutes, for a customer service hearing to be held. A technical hearing in this docket before the full Commission is set for hearing in Tallahassee on August 10-14, 2026. The filing requirements and procedures to be followed at that hearing are set forth in Commission Order No. PSC-2026-0079-PCO-WS, issued March 24, 2026. This order can be accessed from the Commission's website: www.floridapsc.com then click Clerk's Office and type in the docket number.

If you wish to become a party to this docket you must file a request for intervention in compliance with Rule 28-106.205, Florida Administrative Code. In lieu of intervention you can ask the Commission Clerk to list you as an Interested Person and receive all notices and final orders issued in the docket. Finally, you can contact Walt Trierweiler at the Office of Public Counsel. The Office of Public Counsel is the agency that represents all ratepayers in the State of Florida before the Commission and can be reached by calling 850-488-9330. The Office of Public Counsel has already intervened in this docket.

Should you have any questions or need any additional information on this matter, please contact me at (850) 413-6218.

Very truly yours,
