Subject: **DOCKET NO. 20260032-WU** and DOCKET NO, 20260033-WS

Dear Sir or Madam,

I am filing an objection to the aforementioned application.

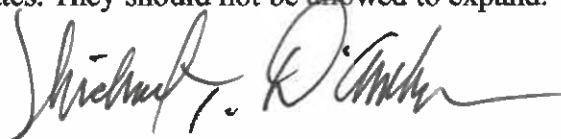

My name is Michael D'Ambra and live at 1109 Brownshire Court, Longwood, FL. I am 82 years old and have been married 61 years. My wife and I were planning to take a vacation cruise at our 60th Wedding Anniversary but were unable to go because of her treatment (chemotherapy) for Breast Cancer.

Instead, we took the trip at our 61st. When we came home we discovered standing water in our front yard.

I called the Irrigation Company and Sunshine Water Company and the Irrigation repaired what was a broken Main Water Line caused by pressure from a tree root. I paid Larry Owens Irrigation \$115 for the repair. None-the-less Sunshine charged me \$1,371.67 for the water that leaked during that time!

I am on Social Security and filed a Courtesy Leak Adjustment with Sunshine Water on November 25, 2025 telling them the leak was not my fault (An "Act of God") and I could not afford the enormous charge. Still, they charged me \$575.59. In my opinion they did not deal with me fairly and I believe that is how this company operates. They should not be allowed to expand.
