Docket No. 20260001-EI

Date: April 3, 2026

**FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
OF CERTAIN PORTIONS OF EXHIBITS RLH-2 AND MVC-1**

Pursuant to Section 366.093, Florida Statutes (“Fla. Stat.”), and Rule 25-22.006, Florida Administrative Code (“F.A.C.”), Florida Power & Light Company (“FPL”) requests confidential classification of certain information provided in exhibits to the prepared direct testimonies of FPL witnesses Richard L. Hume (RLH-2) and Michael V. Cashman (MVC-1) (the “Confidential Information”). In support of this request, FPL states as follows:

1. On April 3, 2026, FPL submitted in this docket the prepared testimonies and exhibits of FPL witnesses Richard L. Hume and Michael V. Cashman, including Exhibits RLH-2 and MVC-1 which contain the Confidential Information. This Request seeks confidential classification of the Confidential Information consistent with Rule 25-22.006, F.A.C.

2. The following exhibits are included with and made a part of this Request:

a. Exhibit A consists of a copy of the confidential material on which all the information that FPL asserts is entitled to confidential treatment has been highlighted.

b. Exhibit B consists of a copy of the confidential material on which all information that FPL asserts is entitled to confidential treatment has been redacted. Copies of the redacted exhibits are also included in the filed versions of the prepared testimonies of FPL witnesses Hume and Cashman.

c. Exhibit C is a table that identifies by page, line or column the Confidential Information, together with references to the specific statutory bases for the claim of confidentiality and identifies the declarant who supports the requested classification.

d. Exhibit D is the declaration of Michael V. Cashman in support of this Request.

3. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As more fully described in the declaration included as Exhibit D, the documents provided by FPL contain information concerning contractual data. Disclosure would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. Specifically, the documents contain information related to the pricing for short-term capacity purchases, the disclosure of which would impair FPL's ability to contract for capacity on favorable terms for the benefit of its customers. This information is protected by Sections 366.093(3)(d) and (e), Fla. Stat.

5. The information also relates to competitive interests. Disclosure would impair the competitive businesses of FPL or its vendors. Specifically, the documents contain financial details related to FPL's asset optimization activities for natural gas and electric transmission. This information is protected by Section 366.093(3)(e), Fla. Stat.

6. Upon a finding by the Commission that the Confidential Information highlighted in Exhibit A and referenced in Exhibit C is proprietary confidential within Section 366.093(3), Fla. Stat., such information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* Section 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

Docket No. 20260001-EI

DECLARATION OF MICHAEL V. CASHMAN

1. My name is Michael V. Cashman. I am currently employed by Florida Power & Light Company ("FPL") as Managing Director, Operations & Trading in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the exhibits to FPL's Request for Confidential Classification of Information included in Exhibits RLH-2 and MVC-1 to the testimony of FPL witnesses Richard L. Hume and Michael V. Cashman. Some of the documents and materials which are asserted by FPL to be proprietary confidential business information contain or constitute contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. Specifically, the documents contain information related to the pricing for short-term capacity purchases. The information provided by FPL also contains information related to the competitive interests of suppliers from whom FPL purchases capacity, the disclosure of which would impair the competitive businesses of the providers of the information. Additionally, the documents contain financial details related to FPL's asset optimization activities for natural gas and electric transmission. Disclosure of this information would impair FPL's ability to execute transactions for capacity, natural gas commodity sales, natural gas storage, natural gas transportation, and electricity transmission on favorable terms for the benefit of its customers. Disclosure also would impair the competitive interests of FPL and its vendors and would place FPL at a competitive disadvantage when coupled with other information that is publicly available. To the best of my knowledge, FPL has maintained the confidentiality of this information.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, the materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

MICHAEL V. CASHMAN

Date: April 3, 2026
