RE: Close Docket No. 20200170-EI: Petition for approval of optional electric vehicle public charging pilot tariffs, by Florida Power & Light Company.

By Order No. PSC-2020-0512-TRF-EI, this docket was placed in motoring status so that the utility could file its reports on the pilot tariffs in the docket. In Order No. PSC-2026-0022-S-EI, in the FPL rate case, the Commission approved the 2025 Stipulation and Settlement Agreement, which included making the pilot tariffs permanent. As a result, Docket No. 20200170-EI should be closed.
