DOCUMENT NO. 02068-2026
FPSC - COMMISSION CLERK

Docket No. 20250011-EI – Petition for rate increase by Florida Power & Light Company.

Issue 1: Should the Joint Request for Oral Argument be granted?

Recommendation: No. Staff believes that the information in the Joint Motion for Reconsideration is sufficient for the Commission to make an informed decision, and that the movants have not shown with particularity a reason why oral argument would assist the Commission in understanding and evaluating the issues to be decided. If the Commission chooses to grant the Joint Request for Oral Argument, staff believe that ten minutes per side for oral argument would be sufficient.

DENIED - Oral Argument granted - 10 minutes per side.

Issue 2: Should the Joint Motion for Reconsideration of Final Order be granted?

Recommendation: Staff recommends that the Joint Motion for Reconsideration of Final Order be granted in part and denied in part as set forth in staff's memorandum dated March 26, 2026.
