RE: Docket No. 20260047-TA-Petition for expedited review of NXX-X code denial by North American Numbering Plan Administration for the Boca Raton rate center, by Teleport Communications of America, LLC.

On March 19, 2026, Teleport Communications America, LLC-FL filed a request for additional numbering resources from the Number Pooling Administrator (Somos) for the Boca Raton rate center. Teleport Communications America, LLC-FL requested five blocks to meet their customer's request for 5,000 consecutive numbers in the 561 NPA. On March 19, 2026, Teleport Communications America, LLC-FL's request for additional numbering resources was denied because it did not meet the utilization criteria.

On Tuesday, March 31, 2026, Teleport Communications America, LLC-FL filed a petition requesting that the Commission overturn Somos' decision. In accordance with Section 2.07C.5.d(2), of the Administrative Procedures Manual (APM), staff has examined Teleport Communications America, LLC-FL's petition and has determined the following:

- The carrier has demonstrated that it has customers in need of numbering resources;
- The carrier has shown that it will be unable to provide services to these potential customers because of Somos' denial of the numbering resources; and
- Customers will not be able to obtain service from their provider of choice because the carrier does not have the numbers available.

Since the three criteria of Section 2.07C.5.d(2), of the APM have been met, please prepare an administrative Proposed Agency Action Order to be issued within seven business days of this memorandum (April 17, 2026), as outlined in the APM expedited code denial process. Somos should be directed to provide Teleport Communications America, LLC-FL the numbering resources to meet its customer's needs in the Boca Raton rate center. Please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Penny Mallow at (850) 413-6586.
