In re: Petition for Determination of Need for  
Andytown-Oasis Transmission Lines in  
Broward and Miami-Dade Counties, by Florida  
Power & Light Company.

Docket No: 20260020-EI

Date: April 20, 2026

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL  
CLASSIFICATION OF INFORMATION CONTAINED IN THE DEPOSITION  
TRANSCRIPT OF MIGUEL YANES, ATTACHED EXHIBIT, AND ERRATA**

Pursuant to Section 366.093, Florida Statutes ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby requests confidential classification of certain information contained in the deposition transcript of Miguel Yanes, the exhibit attached thereto, and errata, which is being filed contemporaneously with this request:

1. This Request is being filed in accordance with Rule 25-22.006, Florida Administrative Code, to request confidential classification of certain information contained in the deposition transcript of Miguel Yanes, the exhibit attached thereto, and the errata (the "Confidential Documents").

2. The following exhibits are attached to and made a part of this Request:

- a. Exhibit A consists of the confidential documents, and all the information that FPL asserts is entitled to confidential treatment has been highlighted.
- b. Exhibit B is an edited version of Exhibit A, in which the information FPL asserts is confidential has been redacted.
- c. Exhibit C is a table that identifies the information in Exhibit A and references the specific statutory basis for the claim of confidentiality and identifies the Declarant who supports the requested classification.

d. Exhibit D consists of the declaration of Miguel Yanes in support of this Request.

3. FPL submits that the information in Exhibit A is proprietary and confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Florida Statutes, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review, such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declaration in Exhibit D, the confidential business information includes information relating to security measures, systems, or procedures. This information is protected by Sections 366.093(3) (c), Florida Statutes.

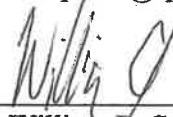

5. Upon a finding by the Commission that the information contained in the Confidential Documents is proprietary and confidential business information, the information should not be declassified for at least eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* Section 366.093(4), Florida Statutes.

**WHEREFORE**, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 20<sup>th</sup> day of April 2026.

was called as a witness, having been previously duly sworn to speak the truth, the whole truth, and nothing but the truth, was examined and testified as follows:

MS. CHRISTENSEN: As we discussed yesterday, this is FPL Bates stamp 000158, the confidentiality portion.

MR. COX: Just to be clear for the record, Ms. Christensen, we will mark this part as confidential part of the deposition?

MS. CHRISTENSEN: Correct. I guess we need to make this as an exhibit as part of -- the confidential exhibit as part of the deposition, and how do we want to handle that with Debbie? Do you want me to send that to her or do you want to send it to her? How do we want to handle that, Will?

MR. COX: I am fine with you supplying it. It's your exhibit. I mean, you obviously have access to it, so that's fine. Not a problem.

MS. CHRISTENSEN: Okay. And, Debbie if we could have this marked as Deposition Exhibit No. 1, and we will have that sent to you.
