Docket No. 20260001-EI

Dated: April 22, 2026

**DUKE ENERGY FLORIDA LLC'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (“F.S.”), and Rule 25-22.006, Florida Administrative Code (“F.A.C.”), submits its First Request for Extension of Confidential Classification (the “Request”) for certain information contained in the direct testimony of James McClay and DEF’s 2025 Risk Management Plan including attachments A, B, C, D, E, F, and G, filed in docket no. 20240001. In support of this Request, DEF states:

1. On July 26, 2024, DEF filed a Request for Confidential Classification for DEF’s 2025 Risk Management Plan including attachments A, B, C, D, E, F, and G and certain information contained in the direct testimony of James McClay, (document number 07864-2024), as they contain “proprietary confidential business information” under Section 366.093(3), Florida Statutes.

2. DEF’s July 26, 2024, Request was granted by Order No. PSC-2024-00458-CFO-EI on October 24, 2024. The period of confidential treatment granted by that order will expire on April 24, 2026. The information continues to warrant treatment as “proprietary confidential business information within the meaning of Section 366.093(3), F.S. Accordingly, DEF is filing its First Request for Extension of Confidential Classification.

3. DEF submits that the information contained in DEF's 2025 Risk Management Plan including attachments A, B, C, D, E, F, and G and certain information contained in the direct testimony of James McClay identified in Exhibit "A" and Exhibit "C" to the July 26, 2024, Request¹ continues to be "proprietary confidential business information" within the meaning of section 366.093(3), F.S. and continues to require confidential classification. This information is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public. Pursuant to section 366.093(1), F.S., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the Public Records Act.

4. Nothing has changed since the issuance of Order No. PSC-2024-00458-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Upon a finding by the Commission that this information continues to be "proprietary confidential business information," it should continue to be treated as such for an additional period of at least 18 months and should be returned to DEF as soon as the information is no longer necessary for the Commission to conduct its business. *See* §366.093(4), F.S.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this First Request for Extension of Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 22nd day of April, 2026.
