Ms. Ellen Plendl, FPSC

Good Day !

FPL Account No . 26582-57510

Year 2022 to Date :

Our Household is still at a Complete Loss as to how the FPSC could of granted permission for FPL to monetarily penilize

our Household every Month for our Lower Monthly usage of KWH when in essence our Household should be commended for our

due diligence in order to conserve electrical power.

A large percentage of our monthly bill is being forwarded to the City of Hollywood which is another factor to consider? (Tax Revenue)

What is Wrong With The FPSC Commisssioners, and are they not able to fully ascertain that FPL is not a Credible Company

that is also Not Trustworthy.<<<<<

Heaven Help Us All !
