3. Pursuant to the requirements in this docket, FPUC and FCG, concurrently with the filing of this petition, file the testimony of Ms. Allysha Fischbacher, along with Schedule A-7 (Exhibit AF-1) for the FPUC consolidated gas division and FCG covering the period January 2025 through December 2025.

4. As indicated in the testimony of Ms. Fischbacher, the Companies' final true-up amount for the period January 2025 through December 2025, including interest, net of estimated true-up for the same period, is an under-recovery of \$5,375,310. This reflects the difference between the Company's actual under-recovery of \$4,056,838, for the period as compared to its estimated over-recovery of \$1,318,472 for the same period, which was based on six months of actual and six months of estimated data.

WHEREFORE, FPUC and FCG respectfully request that the Commission enter its Order approving the Companies' final consolidated true up amount of an under-recovery of \$5,375,310 for the period January 2025 through December 2025.

RESPECTFULLY SUBMITTED this 29<sup>th</sup> day of April, 2026.
