In re: Fuel and Purchase Power Cost Recovery
Clause with Generating Performance Incentive Factor

Docket No. 20260001-EI

Filed: May 27, 2026

**FLORIDA POWER & LIGHT COMPANY'S AMENDED SECOND
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
OF MATERIALS PROVIDED PURSUANT TO AUDIT NO. 2020-007-4-1**

Pursuant to Section 366.093, Florida Statutes ("Fla. Stat.") and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its Amended¹ Second Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 2020-007-4-1 (the "Confidential Information"). In support of this request, FPL states as follows:

1. On May 26, 2020, FPL filed a Request for Confidential Classification of the Confidential Information, which included Exhibits A, B, C, and D ("May 26, 2020 Request"). By Order No. PSC-2020-387-CFO-EI, dated October 19, 2020 ("Order 0387"), the Commission granted FPL's May 26, 2020 Request. FPL adopts and incorporates by reference the May 26, 2020 Request and Order 0387.

2. On April 19, 2022, FPL filed its First Request for Extension of Confidential Classification of the Confidential Information, which included First Revised Exhibit D ("April 19, 2022 Request"). By Order No. PSC-2023-0017, dated January 5, 2023 ("Order 0017"), the Commission granted FPL's April 19, 2022 Request. FPL adopts and incorporates by reference the April 19, 2022 Request and Order 0017.

¹ On January 8, 2026, FPL filed a Second Request for Extension of Confidential Classification. Therein, FPL requested a second extension for a period of 18 months. Through this amendment, FPL requests that confidential classification be extended for 36 months. FPL's basis for this change is described in paragraph 10 below.

3. The period of confidential treatment granted by Order 0017 will soon expire. The Confidential Information that was the subject of FPL's April 19, 2022 Request and Order 0017 warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3), Fla. Stat. Accordingly, FPL hereby submits its Second Request for Extension of Confidential Classification.

4. All the information designated in the April 19, 2022 Request remains confidential, and to the knowledge of the undersigned attorney, the Confidential Information has not been publicly disclosed. Accordingly, Exhibits A, B and C will not be reproduced or reattached herein.

5. On January 8, 2026, FPL filed its original Second Request for Extension of Confidential Classification [D.N. 00106-2026], which included the declaration of Michael V. Cashman as Second Revised Exhibit D. The declaration will be reproduced or reattached but is referenced and incorporated herein.

6. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. As explained more fully in the declaration included as Second Revised Exhibit D, certain documents contain information concerning bids or other contractual data, the disclosure

of which would impair the efforts of FPL to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), Fla. Stat.

8. Additionally, certain documents contain information relating to competitive interests, the disclosure of which would impair the competitive business of FPL and its vendors. This information is protected by Section 366.093(3)(e), Fla. Stat.

9. Nothing has changed since the Commission entered Order 0017 to render the Confidential Information identified in First Revised Exhibit C stale or public, such that continued confidential treatment would not be appropriate.

10. Currently, the Commission retains audit reports for period of seven years at which time the audit materials are returned to FPL unless Commission staff or another affected person requests that these audit materials continue to be retained. The nature of these materials will not change in the next three years. Therefore, to promote administrative efficiency, FPL requests confidential classification for a period of thirty-six (36) months. Upon a finding by the Commission that the confidential workpapers that are the subject of this Request are proprietary and confidential business information, the information should not be declassified for a thirty-six (36) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* Section 366.093(4), F.S.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials included with or incorporated in this Request, Florida Power & Light

Company respectfully requests that its Second Request for Extension of Confidential Classification be granted.

Respectfully submitted,
