RE: CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO: 20240149-EI DOCUMENT NO: 15511-2025

DESCRIPTION: FPL (Baker) - (CONFIDENTIAL) Certain documents and information specified in notice of filing [DN 15509-2025] confidential materials in support of petition [DN 15504-2025] for approval of actual incremental storm restoration costs associated with Hurricanes Debby, Helene, and Milton and associated true-up process.

SOURCE: Florida Power & Light Company

Pursuant to Section 366.093 of the Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL) requests confidential classification of certain documents and information specified in notice of filing confidential materials in support of petition for approval of actual incremental storm restoration costs associated with Hurricanes Debby, Helene, and Milton and associated true-up process.

Based on staffs review, the information provided in the confidential materials in support of the petition for approval of actual incremental storm restoration costs associated with Hurricaes Debby, Helene, and Milton contains proprietary confidential business information concerning bids or other contractual data. The disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. Specifically, the information contains third-party contractual services invoices for storm recovery, which if disclosed to the public could be used to determine negotiated pricing paid by FPL. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 15511-2025 be approved pursuant to Section 366.093(3)(d), F.S.
