RE: Docket 20250052-WS – *In re: Application for increase in water and wastewater rates in Brevard, Citrus, Duval, Highlands, Marion, and Volusia Counties by CSWR-Florida Utility Operating Company.*

I was alerted to three pieces of customer correspondence that have been placed in the correspondence side of Docket No. 20250052-WS. Having reviewed them, I agree that they are not appropriate for inclusion in the docket, as the customers reference being customers of Sunshine Water Services Company. I believe the confusion comes from one of the CSWR-Florida systems being named Sunshine Utilities of Central Florida.

I am therefore requesting that Document Nos. 01243-2026 (McFarlin), 01249-2026 (Bratcher), and 01255-2026 (Bratcher) be moved from the correspondence side of Docket No. 20250052-WS, and placed in the correspondence side of Docket 20240068-WS, *In re: Application for increase in water and wastewater rates in Charlotte, Highlands, Lake, Lee, Marion, Orange, Pasco, Pinellas, Polk, and Seminole Counties, by Sunshine Water Services Company.* Docket 20240068-WS is also referenced in the customer correspondence.

Thank you.
