RE: Docket No. 20250038-WS – Petition for an acquisition adjustment for a non-viable utility, by CSWR-Florida Utility Operating Company, LLC.

Dear Ms. Clark and Mr. Crabb:

By this letter, the Commission staff requests that CSWR-Florida Utility Operating Company (CSWR) provide responses to the following data requests:

1. Please provide both the stand-alone and consolidated (fully-loaded) rate impacts based upon granting the requested acquisition adjustment in full, a 30-year amortization period, the Florida Public Service Commission's 2025 Leverage Formula, and an approximate gross-up rate/factor (for income taxes and regulatory assessment fees) similar to level proposed by CSWR-FL in Docket No. 20250052-WS.¹ These rate impacts should be based on the acquisition adjustment going into rate base through a rate case proceeding for the entire test year period. Please show all inputs and calculation steps.

¹ Order No. PSC-2025-0213-PAA-WS, issued June 18, 2025, in Docket No. 20250006-WS, *In re: Water and wastewater industry annual reestablishment of authorized range of return on common equity for water and wastewater utilities pursuant to Section 367.081(4)(f), F.S.*

Staff's Seventh Data Request
