Message
Governor DeSantis,
I am forwarding this information for your awareness and in the interest of your constituents in Sebring. At this late stage in the process, I recognize that there may be little that can be done to address the concerns of affected parties, however, it could serve as a precedent for similar situations elsewhere in Florida in the future, hence I felt it prudent to bring it to your attention.
Please see attached letter to the Florida Public Service Commission (FPSC), submitted.
