Re: Notification Regarding the Proposed *Pro Forma* Transfer of Certain Assets of Windstream Florida, LLC and Windstream Communications, LLC to Kinetic ABS FL LLC

Dear Mr. Baez:

Windstream Florida, LLC and Windstream Communications, LLC (collectively, the “Asset Transferors”) and Kinetic ABS FL LLC (“Kinetic ABS FL”)¹ hereby notify the Florida Public Service Commission (“Commission”) of a *pro forma* transaction, effective July 15, 2026, under which the Asset Transferors will transfer certain fiber and copper assets and the associated mass market VoIP services, including long-distance services, and fiber-based residential broadband and internet services, as well as the operations and customers associated with these services, to Kinetic ABS FL, and Kinetic ABS FL will lease back certain transferred assets to the Asset Transferors. This *pro forma* transaction is part of a financing initiative to support the continued deployment of fiber across Uniti Group Inc.’s footprint.

¹ Kinetic ABS FL is a newly formed entity that recently filed an application with the Commission for authority to provide telecommunications services. See Application for Original Authority To Provide Telecommunications Service in the State of Florida, Kinetic ABS FL LLC, Docket No. 20260061 (April 13, 2026).

Under the *pro forma* transaction, the Asset Transferors will assign certain assets, operations, and customers, described above, to Kinetic ABS FL.² The Asset Transferors will retain their existing telecommunications authorizations issued by the Commission, and will continue providing all existing services to non-transferred customers, including customers served via copper technology, Lifeline customers, and non-residential customers receiving fiber-based services. Kinetic ABS FL and the Asset Transferor will enter into intercompany agreements to allow the Asset Transferors to use the relevant portions of the transferred assets needed to continue providing these services and to transport network traffic for Kinetic outside of the relevant exchanges.

The *pro forma* transaction will have no impact on the ultimate ownership of or otherwise constitutes a transfer of control for any of the Florida-certificated Uniti entities. The *pro forma* transaction will be seamless to the transferred customers, who will continue to receive the same services under the same rates and terms after the transfer.

An organizational chart depicting the post-transaction structure is included as Attachment A.

Please contact the undersigned with any questions regarding this Notice.

Respectfully submitted on June 18, 2026.

/s/ Nicole Winters
