RE: Docket No. 20260088-GU – Petition for approval of firm service agreement with Peoples Gas System, Inc. in Lee and Collier Counties, by SeaCoast Gas Transmission, LLC.

Dear Mr. Wahlen, Ms. Ponder, Mr. Jones, and Mr. Morgan:

By this letter, the Commission staff requests that Peoples Gas System (PGS) and SeaCoast Gas Transmission, LLC. (SeaCoast) provide responses to the following data requests:

1. Please confirm that the pipeline material will not consist of "bare steel" construction.
2. Please include a general description of the types of costs that will be incurred (e.g., materials, labor, permitting, secure right-of-way, etc.)

3. What is the cost to construct/install 8-inch steel pipeline (including any necessary appurtenances) from the new interconnect with Florida Gas Transmission (FGT)? Please break down the costs for the Caloosahatchee River, Palm Beach Boulevard, and Corkscrew Road interconnects separately.
4. Please provide the percent breakdown between materials and labor for the total cost of the project.
5. Please explain how SeaCoast and PGS determined the appropriate monthly reservation charge for the proposed firm transportation agreement.
6. Please provide a brief description of the approval required by SeaCoast or PGS from any other state or local agencies to complete the proposed project, including securing permits, land rights, and easements.
7. Did PGS issue a formal request for proposals or initiate discussions with other parties to obtain construction cost estimates for the proposed pipeline? If so, please identify all respondents and provide an explanation regarding why their proposals were rejected. If not, please justify why PGS did not solicit competitive bids from other parties.
8. Please discuss approximately how many residential, commercial, and industrial customers are expected to take service from this new pipeline.

Please file all responses electronically no later than July 8, 2026, through the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. *In addition, please email the filed response to discovery-gcl@psc.state.fl.us.*

Please feel free to call me at (850) 413-6218 if you have any questions.

Sincerely,

/s/ Suzanne Brownless
