20260081 – WS - Application for grandfather certificate to operate water and wastewater utility in Citrus County, by GCP Walden Woods One, LLC and GCP Walden Woods Two, LLC.

Dear Commission Clerk / Florida Public Service Commission,

I am writing to formally provide notice of the withdrawal of the grandfathered certificate applications previously filed for the following entities:

- GSP Walden Woods One, LLC
- GCP Walden Woods Two, LLC

At this time, we intend to submit new **original certificate applications** for both entities at a later date.

In connection with this request, we respectfully ask that the filing fees submitted with the grandfathered certificate applications be **applied to the forthcoming original certificate filings** for these entities. If transferring the filing fees is not permissible, we kindly request a **refund of the filing fees** associated with the withdrawn applications.

Please let me know if any additional documentation or formal forms are required to process this request.

Thank you for your assistance.
