In re: Petition for Approval of Revised Depreciation Rates for Bayside Power Station Assets by Tampa Electric Company.	DOCKET NO. 20260062-EI
--	------------------------

Dear Mr. Teitzman:

Tampa Electric Company ("Tampa Electric" or "the company") filed its Motion to Approve the 2026 Bayside Agreement ("Motion") on June 16, 2026 in the above-captioned dockets. Tampa Electric has conferred with the parties to Docket No. 20260001-EI, including the Southern Alliance for Clean Energy, PCS Phosphate, Nucor Steel Florida, Inc., Florida Public Utilities Company, Florida Power & Light Company, the Florida Industrial Power Users Group, and Duke Energy Florida. Each confirmed that they do not plan to take a position on the Motion.

The Office of Public Counsel ("OPC") is a party in Docket No. 20260001-EI and is the only party other than Tampa Electric in Docket Nos. 20260053-EI and 20260062-EI. OPC supports the Motion.

Thank you for your assistance in connection with this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Malcolm N. Means". The signature is written in a cursive, flowing style.
