Docket No. 202600__-GU

Filed: July 1, 2026

PETITION TO IMPLEMENT
2027 SUBSEQUENT YEAR ADJUSTMENT

Peoples Gas System, Inc. (“Peoples” or the “company”) hereby petitions the Florida Public Service Commission (“Commission”) to implement the 2027 Subsequent Year Adjustment (“2027 SYA”) authorized in its 2025 rate case. Peoples submits this petition pursuant to Sections 120.57 and 366.06, Florida Statutes; Rule 28-106.301 and 25-9.001, *et seq.*, Florida Administrative Code; and Order No. PSC-2025-0413-S-GU, issued October 31, 2025, in Docket No. 20250029-GU, (Petition for Rate Increase by Peoples Gas System, Inc.) (“2025 Final Order”).

Background

1. Peoples is a natural gas local distribution company providing sales and delivery of natural gas throughout most of the State of Florida and is a natural gas public utility subject to the Commission’s jurisdiction. Peoples served over 525,000 customers as of March 31, 2026.

2. Peoples filed a Petition for a general base rate increase on March 31, 2025, which the Commission assigned Docket No. 20250029-GU. On August 13, 2025, the company filed a Motion to Approve 2025 Stipulation and Settlement Agreement (“2025 Agreement”). The Commission held a hearing on the settlement and issued the 2025 Final Order approving the 2025 Agreement on October 31, 2025.

The 2027 SYA

3. Paragraph 3(b) of the 2025 Agreement authorized a 2027 SYA in the amount of \$25 million, to be effective the first billing cycle of January 2027. The Commission found the “25 million annual revenue increase beginning January 1, 2027, [is] reasonable when considered in the totality of the whole Settlement.” See *2025 Final Order* at page 8.

4. Paragraph 4(b) of the 2025 Agreement requires the base rates and charges associated with the \$25 million 2027 SYA be developed using the cost recovery revenue allocation shown on Exhibit B of the 2025 Agreement (“Exhibit B”) and the billing determinants for 2027 that the company will use to develop its cost recovery clause and rider factors for 2027. Exhibit B is included with this Petition as **Attachment One**.

5. Paragraph 4(b) also requires the company to “file its proposed tariffs to implement the 2027 SYA and supporting schedules no later than July 31, 2026, to enable the Commission to consider and approve the tariffs, so the company may provide timely notice to customers and implement the new tariffs effective with the first billing cycle of 2027”.

6. Peoples developed the proposed 2027 base rates and charges using the specific cost recovery revenue allocation percentages shown on Exhibit B and calculated the base rates and charges incorporating the billing determinants the company is using to develop its 2027 cost recovery clause and rider factors as specified in Paragraph 4(b) of the 2025 Agreement.

7. The 2025 Agreement specifies in Paragraph 4(b), that "the file and suspend provisions in Section 366.06, Florida Statutes ... to the extent applicable, have been satisfied by the company's Initial Rate Case Filing and related Commission action, including approval of the 2025 Agreement, in this docket."

**Statement of Ultimate Facts Alleged
and Providing the Basis for Relief**

8. The ultimate facts that entitle Peoples to the relief requested herein are the facts set forth in paragraphs 1 through 7 above and the following:

9. Consistent with the 2025 Agreement and 2025 Final Order, the total amount to be collected through the 2027 SYA is \$25 million. **Attachment Two** to this Petition includes supporting schedules detailing the 2027 billing determinants for the cost recovery clauses and riders. **Attachment Three** shows the apportionment of the \$25 million revenue requirement to rate classes as specified in Exhibit B.

10. The 2027 SYA base rates and charges to become effective with the first billing cycle of 2027 are shown on **Attachment Four** to this Petition which includes the clean and redlined versions of the company's proposed tariff sheets.

11. The **Attachments Two, Three, and Four** to this Petition are supported by the Affidavit of Luke A. Buzard, which is included as **Attachment Five**.
