Comment: We have owned our home for 3 years and have not experienced any negative sewage or water issues since owning at Buttonwood. However, we are only at this home location 5 months out of the year. The increase is enormous, and will be a hardship to be able to pay. That hike in pay seems too much too fast. In addition we pay to buy drinking water. This monthly increase would be a burden. Please reconsider and lower the increase significantly. Thank you, Jeannie Polakovic
