Re: Notice of Voluntary Filing of Chapter 11 Bankruptcy, DSCI, LLC d/b/a TPx
Communications

Dear Director Teitzman:

DSCI, LLC d/b/a TPx Communications ("TPx"), hereby provides notice to the Florida Public Service Commission that it and certain of its affiliates have filed voluntary petitions (the "Bankruptcy Petitions") to reorganize under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas on June 28, 2026, in Case No. 26-34547. TPx was originally authorized by the Commission to provide competitive local exchange and interexchange services in Florida on November 18, 2008 in Docket No. 080524-TX.

The filing of the petitions served to convert the legal status of TPx and its affiliates to debtors-in-possession that will continue to operate their respective businesses during the court-supervised reorganization process. The filing did not result in any change to the current telecommunications services operations of TPx and it will continue to operate as before without any expected interruption to its customers in Florida. Furthermore, TPx will continue to comply with existing regulatory obligations and commitments. The reorganization of TPx and its affiliates through the bankruptcy process is expected to improve TPx's financial and operational status to the benefit of its customers.

Should TPx's future exit from Chapter 11 constitute a change of control requiring Commission approval, TPx will seek any necessary approval at that time.
