Raising the water and sewer rates dramatically would certainly be a hardship for my husband and I as we are retired and on a fixed monthly income.. We are only at Buttonwood Bay November thru March yet we are still billed water and sewer standard rates during the time we are not there. Between Sun Communities raising the lot rent yearly and now the water and sewer, we will be forced to discontinue our time in your lovely state. Please consider the people that have worked hard all their lives when setting new rates.

Thank you
Arthur and Debra Deremiah
